MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Privately-owned Property Claim  
25X1A9a [REDACTED] (SR)

DEC 7 1956

1. This memorandum contains a recommendation submitted for the approval of the Deputy Director (Support). Such recommendation is contained in paragraph 4.

2. In accordance with the provisions of Regulation [REDACTED], the attached claim, for reimbursement, in the amount of \$110.95, was considered by the Headquarters Board of Survey in a meeting held on 29 November 1956. Submitted by the Chief, [REDACTED] on behalf of the claimant, an SR Division contract employee (Project [REDACTED]), this claim concerns loss of equipment from, and damage to subject employee's automobile, a 1955 Plymouth. Mr. [REDACTED] had turned the automobile over to Agency support personnel in [REDACTED] prior to his transfer and departure on 27 August 1956, and received the automobile at the [REDACTED] Washington, on 25 October 1956. Upon receipt, damages and losses sustained during shipment were noted and itemized.

3. Claimant's vehicle was shipped commercial at Agency expense (7-3400-83-107) under secure cover arrangements effected by Agency authority [REDACTED] from [REDACTED] consigned to the [REDACTED] and thence to the [REDACTED] company in Washington). Security considerations and cover arrangements, under which the vehicle was shipped, precluded the claimant from obtaining his own marine insurance, and now precludes a claim against the carrier. In lieu of marine insurance, and upon the field's request, headquarters had amended Mr. [REDACTED]'s contract to permit reimbursement under CIA Regulation [REDACTED].

4. Subsequent to review of the evidence, including SR Division memorandum, claimant's statements, repair estimate and inventory, the members of the Board concluded that Mr. [REDACTED] has sustained privately-owned property damages and loss directly related to service with CIA, and has been precluded by security-cover considerations from reimbursement in other than CIA channels. The Headquarters Board of Survey unanimously recommends your approval of Mr. [REDACTED] claim and reimbursement in the amount of \$110.95, repair and replacement estimate.

5. All requirements of CIA Regulation [REDACTED] have been fulfilled by the claimant and SR Division.
